TM to provide 34Mbps connection to Universiti Malaysia Pahang

Telekom Malaysia Berhad (TM) and Universiti Malaysia Pahang (UMP) recently signed an agreement for TM Direct leased line service.

TM Direct will enable UMP to provide campus-wide Internet access to all departments, lecture halls and cafeterias.

TM will also provide wireless Internet service and access to e-browse, BlueHyppo's online newspaper service.

In addition to that, UMP students and staff can subscribe to Streamyx at a special promotional price, which includes a FREE

modem and a waiver on the activation fee (RM75).

TM was represented by TM Retail's, Vice-President, Enterprise and Government Sales, Ghazali Omar, while UMP was represented by its Chairman, Dato' Mohd Hilmey Mohd Taib.

Signed & Sealed: Ghazali Omar, exchanging documents with Professor Dato' Dr Mohamed Sald Bin Mat Lela, Vice Chancellor, UMP witnessed by Dato' Hilmey Mohd Taib.
